EXPERIENCE

Kahmeelah Janan Rasheed,
Artist assistant,
New Museum, NY
Summer 2018

- Monitored and co-taught workshops for The Black School exhibition in the New Museum
- Researched and assembled materials for upcoming projects and exhibitions.
- Organized the studio and calendar. Fulfilled portfolio requests, and transport project materials.

Girls Who Code,
Teaching Assistant,
Microsoft, AIG, NY
Summer 2017, Summer 2018

- Helped facilitate lessons, teaching 20 high school girls how to code using Python, Scratch, Django, HTML, CSS, and Arduino robotics.
- Assisted in the development of cumulative final projects and presentations created by students
- Fostered an inclusive community where girls can grow, cultivate their ideas, and build a lasting sisterhood.

Center for Media Production, *Consultant,*
Smith College
Aug 2016-May 2017

- Worked as a consultant, taught students and faculty how to use creative software and production technologies, and assisted with media projects.
- Supported and aided students and faculty with equipment and facilities.

AOL/ Video, *Account Manager Intern,* NY
Summer 2016

- Collaborated closely with partner companies under the publisher platform team.
- Gathered and analyzed large amounts of data and video through AOL's video platform. Used gathered material to construct an accurate representation of views to cater to partner's audience's needs.

PROJECTS

Paradox Productions,
Technical Artist, MA
Spring 2018

- Designed and constructed the art assets for student video game "Everything's Fine".
- Animated walk, jump, and idle cycle in Blender and wrote C# scripts to implement animations into the game in Unity.
- Met weekly with group to assess progress, give feedback and suggestion to improve game performance.

Black Students' Alliance,
Smith College,
Conference Chair, MA
Spring 2019

- Organized Smith College's BSA's 12th biennial conference, centered around the arts & technology through the black eye.
- Hosted 75 black college students and 15 workshop speakers.
- Planned an Innovation Symposium, highlighting the works of Black students & faculty in the Arts & Technology.
